HEALTH AND SAFETY POLICY STATEMENT

Wire Aid is committed to an operating philosophy based on openness in communication, integrity in serving our customers, fairness and concern for our employees and responsibility to communities within which we operate.

Wire Aid is committed to satisfying the applicable requirements of ISO45001:2018 Standard and to provide safe and healthy working conditions for the prevention of work-related injury and ill health and is appropriate to the purpose, size, and context of our organization and to the specific nature of our OH&S risks and opportunities. We will achieve this by:

Being committed to complying with our legal, statutory regulatory requirements

Being committed to eliminating hazards and reduce OH&S risks

Being committed to continual improvement of our OH&S management system

Being committed to the consultation and participation of our workers, and workers representative.

Identifying hazards and assess risks and implement appropriate controls and the review of their effectiveness

Accessing our activities through our internal auditing process and reviews and continually improve our performance of our management system and overall culture.

Providing a work environment with a zero-tolerance attitude towards violence, aggression, and bullying

Ensuring adequate resources for successful management of Health and Safety

Provide effective injury management and rehabilitation for all employees.

We believe that a “zero” target goal for incidents is achievable relating to health and safety if we work collectively.

HEALTH AND SAFETY OBJECTIVES

Wire Aid is committed to ensuring our OH&S objectives are defined, measurable and met. They include:

- ◇ Implementing and maintaining ISO45001:2018 accreditation;
- ◇ 0 incidents or accidents within our organization
- ◇ 100% induction training for OH&S on our system by end of 2021
